PCMCU'S **63**RD ANNUAL MEETING

ROUNDING THIRD HEADING HOME

PRESIDENT'S REPORT

CHAIR'S REPORT

In reflecting upon all the craziness this past year, it is easy to migrate to all the negative aspects and the relief that it is over. But what stands out more are the positive things that happened.

We learned so much, and know now we can adapt to new challenges in a heartbeat. Examples of that are our new loan initiatives like our interest only loan option by the Mod Squad, our Welcome Home Purchase Loan, and our Hammer-Time Home Improvement Loan. Simplified loan rate reductions and access to all your savings/CD types with no fee or penalty, are more examples. We kept members and staff healthy and happy by calmly learning new ways to conduct business. Amen to that! 2020 taught us how to look ahead.

High performing credit unions like PCM have the ability to take care of their members through good and bad times. Being recognized again nationally for high performance goes hand in hand with great member experiences.

2020 may best be described by the words from the song High Cotton, by the group Alabama:

> "We didn't know the times were lean. 'Round our house the grass was green. It didn't seem like things were all that bad. We were walkin' in high cotton, old times there are not forgotten. Those fertile fields are never far away."

We are on an ever-changing path with a never-changing purpose. Hang with us. Together, we will figure it out.

Sincerely,

Dan Wollin

Dan Wollin, President

Fellow members, it is my privilege to present to you our **63**rd **Annual Report**. 2020 was another great year to be a part of PCM Credit Union. The advantages of being a PCM member created the following highlights:

- Deposits increased a record \$44,167,818 (19.51%) to \$270,527,332
- A record \$113,800,073 in loans were disbursed
- Loans increased \$10,277,095 (4.61%) to \$233,060,594
- Total membership increased to 13,075, which includes 2,385 from the Marinette office.

• Loan delinquency averaged .25%. Loan losses were .06%. Both ratios are about half of last years results and near all time lows. Remarkable statistics given the spike in unemployment.

- \$2,204,173 of net income was transferred to reserves, now totaling \$40,906,271
- A record Reward credit card rebate of \$449,571 was distributed

We have been nationally recognized in the past by Callahan and Associates for returning value to our members, and acknowledged by Deposits.com and Bauer Financial as one of the healthiest credit unions. S&P Global Intelligence just announced that PCM made the Top 100 Best Performing Credit Unions of 2020 in the United States!

All of those highlights prove that PCMCU is your best financial option. We certainly have a lot to be proud of. It is all due to a combination of member commitment and the dedication of our staff and volunteer directors. Together, we are unbeatable. **Best wishes for a happy and healthy 2021!**

Sincerely,

find Frithew
