

Did you know?

At PCMCU, our ATM Machines have ALWAYS had NO SURCHARGE, not only to our members, but to the communities we support.

We Have
NO FEE ATMs

Back in 1992 PCMCU installed our first ATM machine at our location at 781 Willard Drive in Green Bay. It was housed in a BIG Maroon Metal Box that was heated and cooled as necessary.

What was modern technology back then, is now a staple for us today. Our Executive Leaders shared that it was never up for discussion to charge an ATM fee, as our PCMCU Board of Directors agreed from the start it was going to be a NO SURCHARGE ATM for our members AND our community.

This is the People Caring More foundation, which exists in all of our decisions, still today.

The **PEOPLE HELPING PEOPLE** Cooperative Spirit shines bright at YOUR Credit Union!

PCM currently owns and services 7 ATM's, some of which are located inside our Select Employee Groups.

PCM is also part of a Nationwide Credit Union Alliance that allows our members to access NO-Surcharge ATM's.

This is the true spirit of cooperatives!
