PCM CREDIT UNION

63RD

ANNUAL MEETING RECAP

PCMCU's 63rd Annual Meeting provided for a much-needed outlet after not having the opportunity to gather as a credit union family for over a year. The fans of PCM included 270 members, guests and children enjoyed the outdoor experience at the Booyah baseball stadium. We took in the fresh air, the outstanding highlights we achieved in 2020 considering the unprecedented year, and most importantly we shared a smile with those we haven't seen in a while. We celebrated a successful financial year, good friends and also shared some fond farewells as Marinette MSR, Lorrie Mikulsky and VP of Lending, Mike McMullen retire this year. They will both be missed, but will always be part of the PCM family!

For a copy of PCM's 2020 Annual Report visit us at www.pcmcu.org and select "Our Story".

We wish to also express our gratitude to our dedicated staff and the outstanding volunteer, member-elected board of directors for their constant support and guidance. **We Thank YOU!**

Volunteer Associate Director Opportunity

The PCMCU board of directors is looking for a volunteer interested in serving on the Credit Unions board as an associate director. This opportunity would be to serve until the next annual meeting in Spring 2022, allowing this volunteer to find out what's involved and see if it's a good fit. The monthly board meeting is held the third Tuesday of the month at 5:00PM. If you are interested, please contact Jim Zittlow at werlions@centurytel.net or Dan Wollin at dwillin@pcmdu.org.

Following the May 13th Annual Meeting, PCM's Board met to name the new Director positions for the year, they are: Jim Zittlow - re-elected as Chair, Marlis Klimek elected as Vice-Chair, Jerry Kuschel as Secretary, Karen Sylvester re-elected as Treasurer and Jeff Burich, Deb Barlament and Rob Hatszegi as Directors.

It's the final countdown to the new credit card account access within your PCM Virtual Branch. We are almost there - In just a few more days you can expect to see new screens when logging in to access your PCM credit card information.

This new user experience will be available with any mobile device, including smart phones and tablets.

To ensure a seamless transition, we wish to advise existing users that you will not be able to access your credit card information starting, Thursday night, July 8th, until early Monday, July 12th. Please plan accordingly. When you log in on July 12th, you will be redirected to a new login page. Here, you'll be able to access your account with your existing username and password for Virtual Branch and access to your credit card account with one sign-on request. Please Note: If you have the credit card Website bookmarked, make sure you delete it. You may only access the credit card website from within your PCM Virtual Branch. Thank You to Our Board!

Unlike other financial institutions who are governed by paid shareholders, credit unions have a volunteer Board of Directors, who dedicate their time and talents for a greater purpose. We appreciate our People Caring More Board of Directors who believe that we are the greater purpose. As a staff, we will make you proud working to make a difference for every member and our communities.

"Volunteers do not necessarily have the time; they just have the heart."

MYTH

TRUTH

Countering misconceptions about credit and debit cards

"A debit card is more susceptible to fraud than a credit card."

Any card you use the most is susceptible to fraud. It does not matter if it is debit or credit.

"There is no protection in place for a debit card when fraud occurs. Someone could spend all of the funds in your accounts and you would not be able to recoup the funds."

PCMCU does protect your debit card if fraud occurs.

"If you don't use a credit or debit card online, you will never be a victim of fraud."

Once card information is used anywhere, even at brick-and-mortar stores, gas pumps or ATM machines, it can be just as easily compromised or stolen as cards that are used online.

"WHAT CAN I DO TO BETTER PROTECT MY PCMCU PLASTICS?"

Card Valet® is free to download! PCMCU recommends you use this app which provides real time notifications of transactions, balances and the ability to turn your card(s) on and off along with many other great features. We also provide debit card care service after hours by calling (920) 499-2831 and selecting option 2. Credit card care can be reached at the number listed on the back of your card or after hours by calling (920) 499-2831 and selecting option 3. Lastly, always remember to check your statements or history on all of your accounts regularly.
