LEAN ON PCM THIS FALL!

Embracing each season comes with the acceptance of change. As many of us resist the transition to our colder Wisconsin months, recognizing the peace that nature can give us through every season of our lives may help.

Leaning in and staying positive will help each of us and those we love celebrate joyous moments and work through difficult times.

NATURE HAS A WAY OF REMINDING US HOW MAGNIFICENT WE ARE AS HUMANS, AND HOW WE ARE ALL CONNECTED.

Play it Safe Online

Protect your personal information while you are online.

Being online lets you follow the news, connect with friends and family, shop, manage finances, and more. Consider these tips:

- Lock your devices just like you lock your front door. Use a passcode or fingerprint to lock your phone or tablet. If you have a computer, use a strong password that has at least 12 characters.
- Know the red flags of scams. If someone contacts you and asks you to pay by wire transfer or gift card, be wary. It's probably a scam.
- Share with care. Limit how much personal information you share online. Set your social media profiles to private. Only accept friend requests from those you know.
