

PCM Credit Union has a lot of experience on our team. We'd like to highlight two individuals, who have strong values of compassion and work-ethic. Sarah and Kim have been staples for PCMCU, providing knowledge and care to co-workers and members for years.

**Sarah Counard - 23 years
Accounting/Operations
Supervisor**

Sarah started in 1999 working as a member service representative. She moved into the Accounting department and advanced into her current role. She oversees both the Accounting and Operations' teams.

Most of her workday includes sharing her depth of knowledge, gathering data about investments, as well as our products and services, and reviewing our general ledger accounts. She is a part of the leadership team where her input is valued greatly.

Sarah grew up in Green Bay, but in 2004 moved to Door County. She has a 23-year old daughter who lives in Madison, and a 20-year old son and 3 cats!

Sarah's friends would call her independent, generous, and always willing to listen. Her co-workers would also add she is hard-working, reliable, and caring.

Sarah shared, "I've been with the credit union for 23 years and I am still learning every day. I also love that it gives me the opportunity to be involved in member and community events."

She enjoys spending time with her family and friends, reading, and camping.

Sarah is dedicated to PCM Credit Union; every co-worker, every member, and every detail. She is committed to excellence and is an incredible part of our leadership team.

**Kim Runge - 36 years
Vice President
of Member Services**

Kim started in 1985 as a part time teller. She moved to full-time and shortly was promoted to Head Teller, followed by a promotion to her current role in 1999.

The majority of her workday includes assisting members as an expert in IRA's, CD's and HSA's, opening new accounts for personal and business members, and guiding her team on a daily basis. She takes pride in mentoring and encouraging growth, to support promotions to other departments as the credit union grows.

Kim was born and raised on the West side of Green Bay and is the youngest of 3 brothers and one sister. She moved to Seymour in 1988 and has a wonderful daughter and son-in-law, with 3 beautiful grandchildren.

Her friends would say she is easy going and fun to be around with lots of energy! She loves being up at her cabin and seeing friends that have become family.

Her co-workers would add that she is dedicated, honest, trustworthy and hard-working. Kim shared, "I love working with the members and the great friendships I have built over the years." She also shared that she has had great leaders who have taught her to lead by example.

If you have been a member of PCMCU for a long time, you know Kim, and she knows you. She is a staple for our membership to offer trusted guidance. She is a fantastic part of our leadership team.

The average length of employment for our staff at PCMCU is 10 years and 16 years for our leadership team. Watch for more of these connections in the coming months.
