

Here are the qualifications to enter the scholarship program:

The individual must be:

1. A primary member of PCMCU*
2. Beginning or continuing their post-secondary education as a full-time student in 2023
3. **Willing to provide a response to this essay topic, and complete the "What's Your Connection" page.**
Save and submit with your essay; minimum 500 words

How does technology affect your daily life?

Part 1: In general, what do you feel to be the positive and negative aspects of social media, electronic communications and online services? What 3 social media platforms do you prefer. (#1 being your fav)

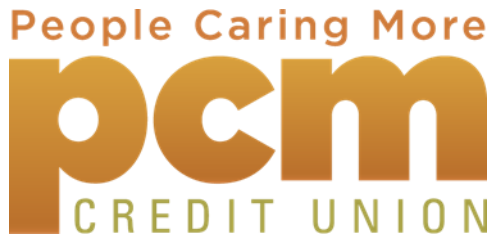

Part 2: How may PCM Credit union attribute to a more positive experience made available through our online services, Mobile App and Facebook connections?

To qualify, applications must be postmarked or received at PCMCU by Friday, April 7, 2023.

Winners will be contacted by Friday, May 5, 2023. Each application must be filled out completely to qualify.

- We ask that each winner agree to allow PCMCU to use his/her name and photo in our promotional materials, such as the member newsletter, website, and social media channels.
- Winners will be decided by a select group of PCMCU representatives who will read and/or view the essay submissions to determine which applicants are most deserving of the three scholarships.
- PCMCU is not responsible for lost or misdirected mail.

**Primary member = member's name listed first on PCMCU account. Account must have been opened prior to September 5, 2022. This member must maintain an active account, using sound financial practices. PCMCU Employees/Directors and families are not eligible for this scholarship.*
