## Passionate and Curious About PCMCU?

Seeking Associate Directors to join PCMCU's Board of Directors. An Associate Director is an opportunity to gain experience on the Board by attending monthly meetings. It can provide a hands-on view of what responsibilities to expect as a Director. While this role is non-voting, it provides space to offer insights and perspectives without committing long-term. This is a Board appointed position, which doesn't require a membership vote.

If interested, contact Dave Murray at [davem@pcmcu.org](mailto:davem@pcmcu.org) or 920-610-0069.
