

A SPECIAL ANNOUNCEMENT

PCM Credit Union Announces New Branch Location

PCM Credit Union is excited to announce plans for a new branch in Bellevue, Wisconsin, with a projected opening in the first half of 2027. This expansion reflects the many requests PCMCU has received over the years. The new construction on the east side of Green Bay will be PCMCU's fourth branch, adding to their main office in Green Bay (Ashwaubenon), Howard, and Marinette. As Bellevue continues to grow, PCMCU is thrilled to become part of that growth and bring their people-first approach to even more members in the community.

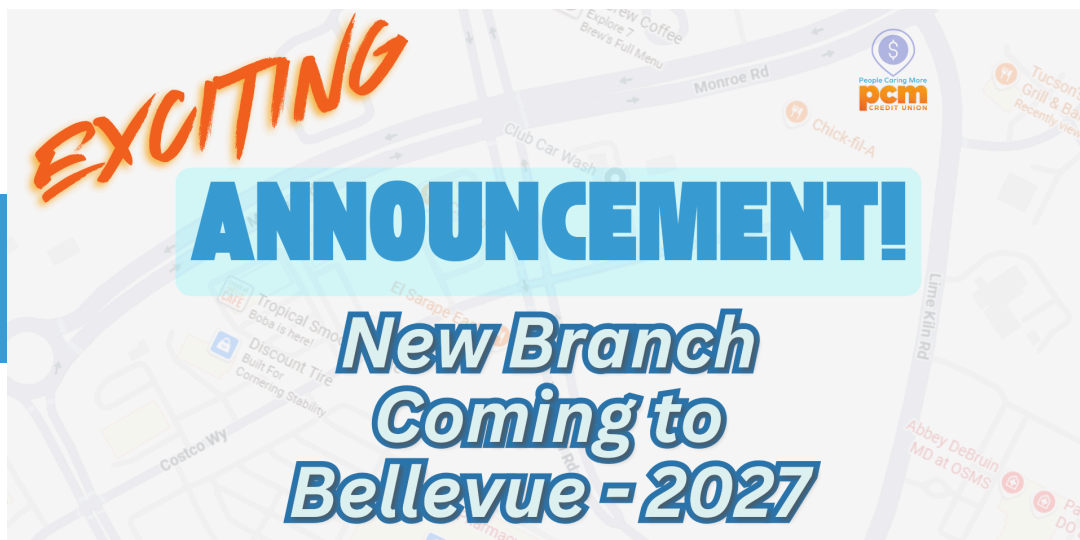

PCMCU continues to grow — expanding membership in 2023 to anyone who lives or works in Brown, Door, Kewaunee, Marinette, Oconto, and Shawano counties, PCM Credit Union is able to serve even more individuals and families throughout Northeast Wisconsin. The Costco/Target retail area is a destination area for those that visit Green Bay, offering convenient highway access.

More details about the branch timeline will be shared as the project progresses.

PCM Credit Union is federally insured by the NCUA and is an equal housing opportunity lender.

PCMCU's President/CEO, Shelly Mellenberger says, "This is a significant milestone for our credit union and one that reflects our continued growth and confidence in the future. This expansion will help us better serve our existing members in that area, welcome new members to our cooperative, and thoughtfully address space needs at our main office as we continue to grow."
