PEOPLE CARING MORE

Spotlight on the People of PCMCU

Inspired by Service: PCMCU Chooses Local Pantries for Juneteenth Giveback

During a visit to Paul's Pantry, I was able to see the incredible work they are doing behind the scenes to support our community. Dedicated staff and volunteers work tirelessly to ensure families and individuals facing food insecurity have access to nutritious meals. Strong communities are built when people care for one another and take action to help those in need.

Inspired by their impact, PCMCU employees volunteered at Paul's Pantry in Green Bay and St. Vincent de Paul Food Pantry in Marinette as part of our Juneteenth Day of Service. We are proud to support organizations that strengthen our community and grateful to our members whose generosity helps make these efforts possible. Together, we continue to demonstrate what People Caring More is all about.

PCMCU will be closed on the following federal holidays:

Saturday, July 4th – Independence Day
